1953 BUICK 4-DOOR SPECIAL SEDAN

Automatic, radio, heater, white wall tires. A new yellow paint job. Beautiful interior. This one really worth a lot more but I have made so much money I want to write this loss off my tax return.

1958 ZODIAC 4-DOOR SEDAN

In case you do not know what a Zodiac is, it is a car made in England by the Ford Motor Co. This is a real economy car. The last owner bought this one because he was a bachelor and did not need a big car. Last month he married a widow with seven children. Sacrifice. The best car made in England.

FULL PRICE \$1695

1957 FORD 300 4-DOOR SEDAN

Ford-omatic, radio, heater, tinted glass. This one is loaded with extras. A beautiful blue color. Still smells new. The last owner divorced his wife and under community property laws they have to split the price of this car between them 50-50 — \$195 for her and \$100 for him. Naturally he must pay the expenses.
